Create the maritime base

Start by painting your decorative elements. Use the craft paints to decorate your lighthouse, the 'Beach' lettering and your tealight holders. Use colors that remind you of the sea. Remember to allow the paints to dry thoroughly before continuing.

Design the tray

Place all the decorated elements on your tray. think about an arrangement that you like best. You can place the lighthouse and the tea light further forward or to the side so that everything stands out.

driftwood and seagulls

Apply some hot glue to the driftwood and fix it to the tray. Then attach the small seagulls in the desired places using hot glue.

Finishing touches with sand and shells

Now spread the natural sand evenly over the tray. The sand will give your arrangement an authentic beach atmosphere. Then sprinkle the shell granules and shells decoratively onto the tray sand.

Once everything is fixed and perfectly arranged, you can sit back and enjoy your handmade maritime home accessory. Not only is it an eye-catcher, but it also carries your personal touch. Ready to fill your home with beach magic?
