Natural DIY Easter decoration

Instructions No. 3607

Difficulty: Beginner

Working time: 1 hour

This idea is a good example of decorative handicrafts with natural materials for the Easter season. Moss wreaths, decorations-willow and more bring the magic of nature directly into your home. Get inspired and create your own natural Easter decorations with our materials!

Creative use of moss wreaths and more

Start by gluing the-willow decorations to the moss wreaths using hot glue. These natural elements give your wreath a rustic base.

Carefully place the quail eggs on the decoration-willow. Insert natural feathers into the wreath. Decorate with the wooden sprinkles or other natural materials. attach them with hot glue. Glue threads or too much hot glue can be removed as soon as the glue has cooled down.

Decorating and arranging the vase

Tie the linen ribbon around the top edge of the glass vase and close it with an elegant bow. This adds an extra natural touch.

Fill the vase with water and place a floating candle in it. Place the vase in the small wreath to complete the perfect table decoration.

The perfect door wreath
Cut a piece of linen ribbon and tie it to your moss wreath to hang it up. This way, you can easily attach it to the door.

Get ready to decorate your home with your own personal creation! Get all the craft materials you need from our online store and start your next nature project today.
