

Advent calendar with cups

Instructions No. 2673

Difficulty: Advanced 

Working time: 6 Hours

An Advent calendar is almost a traditional part of the Christmas season, so it simply can't be missed. Create this simple but modern Advent calendar for your loved ones. Packed with beautiful little things, both big and small will be delighted with this calendar.

First design the cups with the Dot Painting wood stick and the glass & porcelain paint. The colours can be painted from transparent to opaque and can be mixed with each other.

For a long-lasting hold of the paint, the applied colours must be baked in the oven at 160°C for approx. 30 minutes.

Next, stamp the VBS gift tags with the appropriate silicone stamps and the craft colours. You can brush the edges with gold craft paint. Next, place the paper bags in the cups. Then fill them with small items and close them all with the closure strips provided. Now you only need to attach the 24 tags to one of the strips and the Advent calendar in "Cosy Christmas" style is ready.
