

Adventsgesteck "Nature"

Instructions No. 714

Remove the fittings from the plates and saw off the corners of the arrows so that the ends have a point. Then glue both shields Handicraft glue together on the short sides.
Glue the textile-Felt underneath to protect your table top, cut it out.
Glue the bobbin lace with hot glue around the drilled holes, Wooden balls the hole points upwards.
Join the different balls and orange slices in parts with hot glue and stick them on the wooden plate.
Decorate with star anise and bows made of natural bast, finally stick the bows all around with tape-Ribbon to cover the glued joint between the two signs.
