

Anleitung: Faltsterne aus Papier

Instructions No. 716

Difficulty: Beginner 

Working time: 20 Minutes

These folded stars are produced with a new type of embossing template. You will need a only punching and embossing machine and a beautiful On the Christmas Paper. tree or as a gift tag, these stars are an absolute must at Christmas time.

And here's how it works

Cut approx. 7 cm wide strips from various papers and punch them out with the punching and embossing template and the necessary plates with the Press Boss or another suitable punching and embossing machine. 2 strips are required per star.

Tip: The Stencil is suitable for almost all common punching and embossing machines.

Fold the punched motifs along the dotted lines like an accordion and join two motifs each with tape-Ribbon to form a long strip.
threadEmbroidery twist through the small holes and pull the ends tight until a star is formed
Stick on both ends of the paper strip Tape-Ribbon , put the Embroidery twist in between and glue the star halves together.

This idea is timelessly beautiful!
