

Anleitung für das Basteln der VBS Handytasche aus Filz

Instructions No. 1059

The VBS Mobile phone bag "cat" or "owl" is easy and quick to make. It is not only optically an absolute eye-catcher, but also a practical protective cover for valuable smartphones. Homemade mobile phone cases are also a great gift idea.

And it's as simple as that:

How do I make the VBS mobile phone case?

The creative set "VBS Handy bag" is already cut to size and delivered with all necessary accessories. Follow the photo step-by-step instructions and sew on all the accessories first and then sew the front and back of the phone pouch.

For individual decoration you can iron on or sew on additional pendants or ornaments.
