## Anleitung: Romantische Holzbox

#### Instructions No. 220

Difficulty: Beginner

#### Working time: 45 Minutes

**Practical and attractive at the same time**, these are the handicrafts that you will enjoy for a particularly long time.

The beautiful motifs Straw silk paper-are perfect for a romantic design of the classic wooden box. The playful stamp motifs fit perfectly and so you can create timeless helpers in just a few steps.

#### Here's how it's done:

First prime the box with a Paint sponge grey primer. After drying, wipe white over Handicraft paint the primer and paint the knob grey-brown. Then glue on the straw silk motifs.

Tip: Also glue the motifs over the openings and cut them open again with a scalpel after drying. Finally, stamp the box and emphasize the edges and pommel directly with the Ink Pads.
