**She's so easy to cuddle - our cute Mamselle "Lotta"!**

**And so it goes**

Transfer the outline of the dress template for the back twice to the floral fabric "Blossom" and add 1 cm seam allowance at the outer edges. Add 2 cm in the middle. Then cut out the two halves with pinking scissors. This prevents the cut edges from fraying. Cut the neckline directly on the edge, as it will disappear under the outer garment. Then hem the two halves at the middle seam foot-wide and then sew them together from below in such a way that an opening remains which is large enough to pull the dress over the mamselle's head. For the front part, mirror the pattern and transfer it to the fabric. For this cut, too, allow 1 cm seam allowance all around - except at the neckline - and cut it out with the pinking scissors. For the front and back pieces, first hem the sleeve ends foot-wide and then sew the two pieces together along the sides and shoulders. Finally, hem the skirt foot-wide and sew the green lace around the outside of the skirt hem. Sew the lace around the sleeves by hand.

**Tip:** You can lengthen the skirt and sleeves to your taste.
