Instructions No. 894

These three interconnected pots give you the freedom of design. Whether as a small welcome in front of the front door, as a decoration on the windowsill or for your herbs in the country house kitchen. And should you need more than 3 pots - this pot row can be perfectly arranged with several.

Cut out the Napkin motifs and the border

Draw the outlines of the motifs on the plant pot and paint the area with VBS Hobby Color in white, so that the napkin motif is shown to its best advantage

You will need the Napkin only top layer of this, glue it to Napkin varnish the primed surfaces and leave everything to dry well.

Now you can plant the pots
