## Candles with stamps

**Instructions No. 1998** 

Difficulty: Advanced

Working time: 2 Hours

In the cold season the light of a **candle** is especially beautiful and creates a great atmosphere. With our **free instructions** you can **stamp** your candles individually. You can adapt them to the rest of your decorations and make them for every season and for every decoration. Also a great gift idea for your loved ones.

## This is how the candles are stamped:

Choose your **desired stamp** and press the **Clear Stamps on** an acrylic block. Take any Napkin one of them and remove one of the unprinted white layers. It will be needed for the next step

Now dab the stamp motif with **stamping ink** and press the stamps onto the white layer of the tear-out Napkin. motif

Coat the candle with **Candle Potch**, place the torn out napkin motives on the candles and coat them again with Candle Potch

In addition, after drying, writing can be done on the candles with a candle **liner**. The writing/motives can be written with Aqua Paint Markers can be colored.
