Colorful planter box

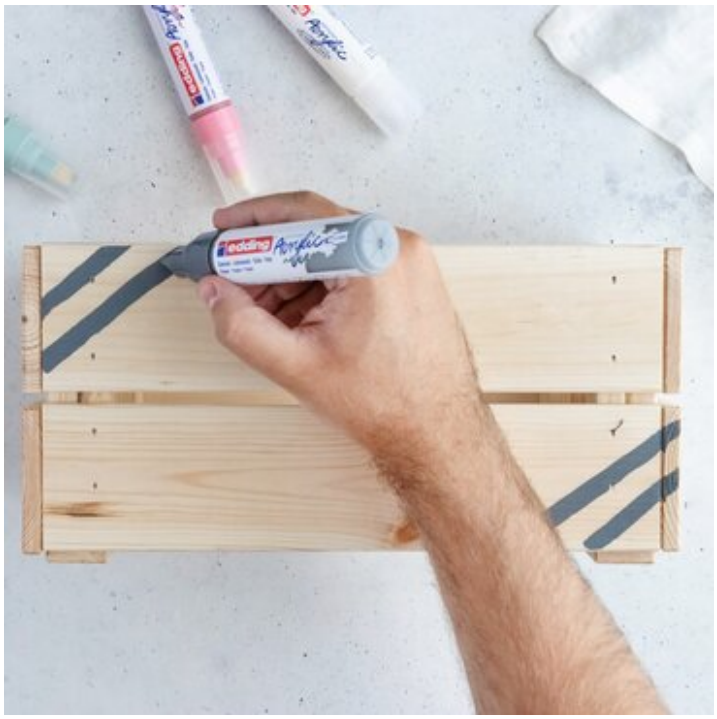

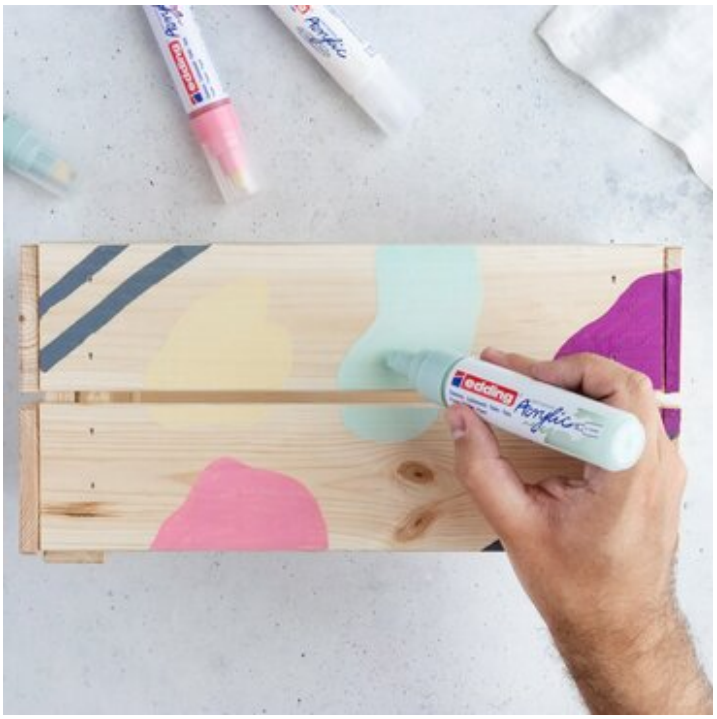

Instructions No. 2831

Difficulty: Beginner

Working time: 2 Hours

Create a colorful planter box for your favorite flowers with little effort and products. The wooden box was simply designed with various edding acrylic markers, then lined with foil and planted with pretty flowers. A great idea for the summer!

Once you are happy with your result, leave the paints to dry completely. Now line the inside of the **wooden box** with **foil**. You can attach this with a **stapler**. you can remove any excess foil with **scissors**. Now fill the wooden box with **potting soil** and plant your **favorite flowers**. Your summer planter box is ready!
