Decorating baubles with Styro-Art

Instructions No. 2040

Difficulty: Beginner

Working time: 3 Hours

Noble looking Christmas tree baubles do not always have to be expensive. Our variant is designed with only few materials. The best thing is that Polystyrene the baubles cannot break when they fall down.

For the noble looking **Polystyrene balls** select one from Paper the glitter paper **"Glamour Mix".** For the 10 cm **Polystyrene balls** two sheets are Paper needed, one for the 7 cm ball. From this you punch with a **Motif Punch** Circles out. Put something in the bullets. **Handicraft glue** and put the first circle on top. This is now fixed additionally with a **steel pin**. **Tip:** The circles should be placed in a scale-like manner and from bottom to top

As soon as the sphere is completely covered with circles, a **polystyrene pendant** is turned into it and a **Ribbon** for hanging up. Repeat this procedure for each additional Polystyrene ball.
