Decorative gift wrappings

Instructions No. 2947

Difficulty: Beginner

Working time: 1 hour

Wrap your Christmas presents this year in gift wrapping you've decorated yourself. This gives the whole thing a personal touch! In our example, we have decorated plain cardboard boxes with paper borders and self-stamped tags. A great and simple idea to recreate.

Important: The **VBS XXL "White Mix" gift tags** are coated. It is therefore essential to use **waterproof ink pads** and **marker** use!

Place the **VBS "Christmas Time" silicone stamps** on a Clear Stamp Holder, apply **stamping ink** and press onto the **gift tags** and/or **boxes**.

Stick the **Xmas paper borders** to the boxes. Close the boxes and add a ribbon . Tuck a small bouquet under the knot **eucalyptus** under the knot. Finally, knot the **gift tag**.

Tip: Clean the **silicone stamps** with **stamp cleaner** after use. This will keep them usable for a long time.
