

Design motif moose trio

Instructions No. 2854

Difficulty: Beginner 🖌️🖌️🖌️

Working time: 2 Hours

Our **wooden stick motifs** look cute and can be designed with **craft colours** according to your own wishes. Finished, they are a great decoration for Christmas and winter time.

This is how you design the moose trio:

Paint the **VBS wooden stick motif** with your **favourite colours**. The VBS craft paints are ideal for this purpose. Tip: You can apply the paint to narrow areas with a bamboo skewer.

You can add 3-D accents with the **VBS decorative snow liner**. We applied some snow to the gloves, hats and shoes.

For a nice glow, we glued a **string of lights** to the figures from behind with hot glue.

Finally, glue **scattered stars** to the skirting board.
