Discover with this idea how fascinating crafting with **the decoupage technique** is and create a decorative **Easter arrangement** with little effort. The wreath with the decoupage candles and Easter eggs will bring a pleasant atmosphere into your home.

What is the decoupage technique?
Decoupage refers to crafting with high-quality **motif straw silk**.
The Paper usually weighs **28 g/sqm**, is printed with clear motifs and is exceptionally tear-resistant and waterproof.
For the decoupage technique, a **motif** is cut out of the Paper and fixed to the craft blank with glue.

How to craft with decoupage
Choose one **straw silk paper** and carefully cut out the desired motif. Coat the **candle** with **candle potch.** This

varnish is flame-retardant and also handicraft glue and coating varnish. Place the cut-out motif on the candle and smooth it out with a soft brush and some **candle potch**.

Use the **VBS patch varnish** for the easter eggs . If you first insert a **bamboo skewer** through the opening of your ice , you can coat it all over with the varnish and then easily stick the **decoupage Paper** on. You can then simply stick your finished easter eggs into a piece of bamboo to dry **flower arrangement foam** to dry.

Decorating the Easter wreath

Stick **eucalyptus**into the willow wreath and fix this branch with **hot glue** if necessary. Place a**kandelaar** into the wreath and stick a candle on top. Then attach some **Iceland moss** to the wreath and stick your decorated eggs on top. Pluck some blossoms from from **apple blossom branches** and decorate the Easter wreath with them too. Use hot glue to fix all the **decorative parts** to the wreath.

Finally, place the second candle you have made on a **candle plate** in the **wreath**.
