

# Easter window pictures

Instructions No. 3006  
🔪🔪🔪 Difficulty: Beginner  
🕒 Working time: 4 Hours

Would you like to decorate your windows, mirrors or tiles or make beautiful Window Colour decoration pendants? Our **free templates** for the **cute bunnies** are perfect for young and old. The bunnies are easy to colour in with Window Color and will be an eye-catcher in your home.

## This is how you design the bunny pictures:

Print out our **templates** in any size you like.

Now choose a film:

You can easily remove the dried pictures from the **transparent film** and stick them directly to windows, mirrors or tiles. The pictures will stick to the **pinwheel film**. You can cut them out with scissors, make a hole and add ribbon and loop them up.

Now place your template under the desired film. Trace the contours with the **VBS Window Fantasy contour** in black. You can vary the patterns of the balloon or bunny as you wish. Decide for yourself whether you prefer lines, bunting, dots or another pattern.

**Tip:** The fine whiskers can be drawn on with the Posca marker once the colour has dried.

The outline should dry for approx. 2 hours. Then paint the inner areas with any colour you like. Your pictures must then be left to dry for approx. 24 hours.
