Instructions No. 1700

Difficulty: Advanced

Working time: 1 hour

The **X-Mas Car** Tray and the Cadillac cardboard box are absolute optical highlights, which also go down well as gifts.

Christmas crafting fun with andHandicraft paint

Enjoy painting the red cardboard Cadillac**.** With a fine brush and Handicraft paint create certainly a unique unique piece.

While the box is drying, prime the **Tray** with white Handicraft paint. Cut the napkin motif, remove them from the lower layers of paper and then stick them flat on the tray. The side walls and the upper edge are painted in a Christmas red or green as a contrast.

Now a **miniature fir tree** can be tied up on the Cadillac roof of the Pap box. This is what gives the decoration that special something. The box is ready to be filled and fits perfectly as an optical eye-catcher on the X-Mas Car tray.
