Elegante Lampe im Fadenspann-Design

Instructions No. 669

Difficulty: Advanced

On this stylistic lamp a striking design is particularly impressive. Here decorative borders set with pearls were chosen as a frame for a decorative thread tension graphic. provides the Straw silk paper colored background.

Here's **how it works**

Apply Lampshade UHU Contact power adhesive over the entire surface.
Glue them on Straw silk paper flat, cut off excess material with the scalpel.
Stick the tape-Ribbon on the back of the decoration tape, pull off the protective foil and stick it around Ribbon the upper and lower edge of the lampshade.
Lampshade Lay the pattern for the thread graphic on top of the tape, prick the pattern with the prickle needle and embroider with pearl thread. Glue the thread ends on the inside.
Fix it Lampshade with the threaded ring on the lampstand.
