Elves made from birch branches

Instructions No. 2036

Difficulty: Beginner

Working time: 1 hour 30 Minutes

This handicraft idea is not only original, but also quick and easy to make. The cute gnomes made of birch trunks can be realized by adults as well as by children. A great decoration idea for the Christmas and winter season.

This is how it is done:

1. Print a template for the caps in different sizes

2. Transfer the motif to the felt and cut it out

3. Fix Adhesive tape double-sided on the long side of the cap

4. Glue the caps together. Note the different thicknesses of the birch trunks

5. Cut beards from the plush.

6. Fix the beards to the birch trunk with hot glue

7. Put the cap on the tree trunk. This can be fixed with some hot glue if necessary.

8. Glue the wooden hemispheres on as a nose

9. To prevent the gnomes from wobbling, stick something double-sided Adhesive tape under the trunks before decorating.
