

# Felted fir trees

Instructions No. 2034

Difficulty: Beginner 🍴🍴🍴🍴

Working time: 2 Hours

Create fluffy soft decorations with Knit felting wool. these felted Christmas trees with lights are a great decoration for the Christmas season. Placed on a chest of drawers or windowsill, the fir trees really make something special.

## This is how it's done:

Cut off a little of two colours of **fairy tale wool** and place them on top of each other so that they meet in the middle and lie a little on top of each other. Use the **felting needle** to fix the wool on both sides of the **special mat**, creating a felted panel

Mix **Mega Filzer** with water according to instructions. Now brush the **fairy tale wool** with the mixed water (best in a small tub or on bubble wrap). Turn it over Felt sheet and apply the mixture also on the back

Now take the "**Specialfelt mat**" to hand. This will be used as a brush in the next step. With this you brush the plate from the middle to the bottom or top. Thus you receive a more beautiful color transition. Flatten it with Felt sheet your hands or use a dough roll

Rinse them Felt sheet out a little under clean water. In order to get the water out of it Felt , first wring the plate out. Then **rub** it Felt sheet over the burl foil. With a cloth you can additionally soak up the water on both sides. Afterwards the is blow-dried Knit felting wool

The finished mats are now attached to **Adhesive tapete Polystyrene cone** glued. Protruding ends can be cut off with scissors.

Paint the **wooden stands with Handicraft paint** in Red brown and let the paint dry. Place the finished firs on top of the wooden stand. Finally, wrap the firs with a chain of lights.
