Folding transparent stars

Instructions No. 2893

Difficulty: Beginner

Working time: 2 Hours

Christmas is the perfect time for **folding stars**. With our step-by-step instructions, you can easily make these charming stars out of **vellum paper** and then decorate them to your heart's content. They look great on windows and as room decorations.

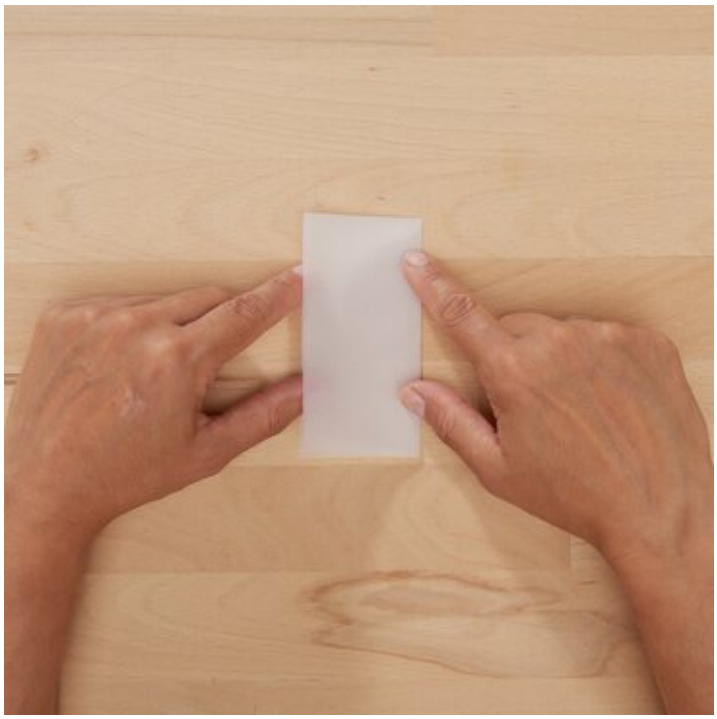

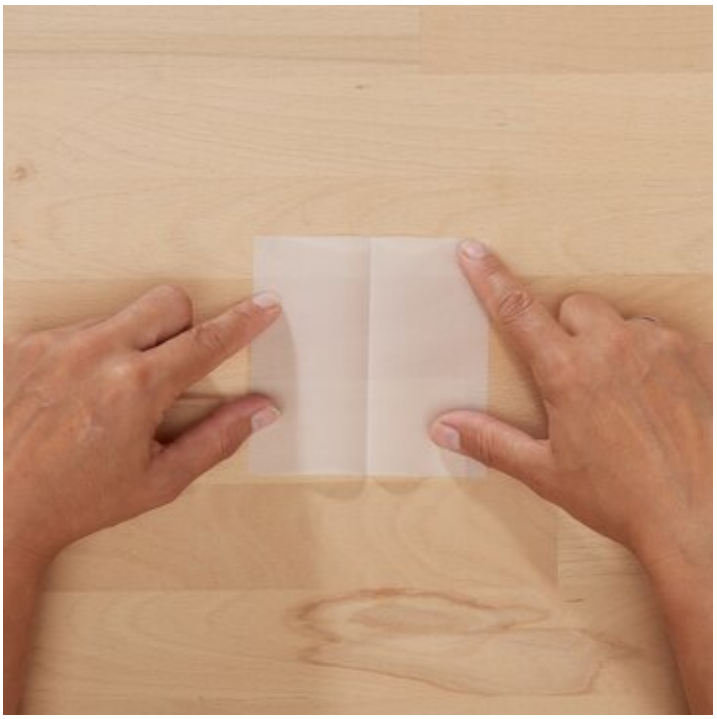

This is how the beautiful stars are made:

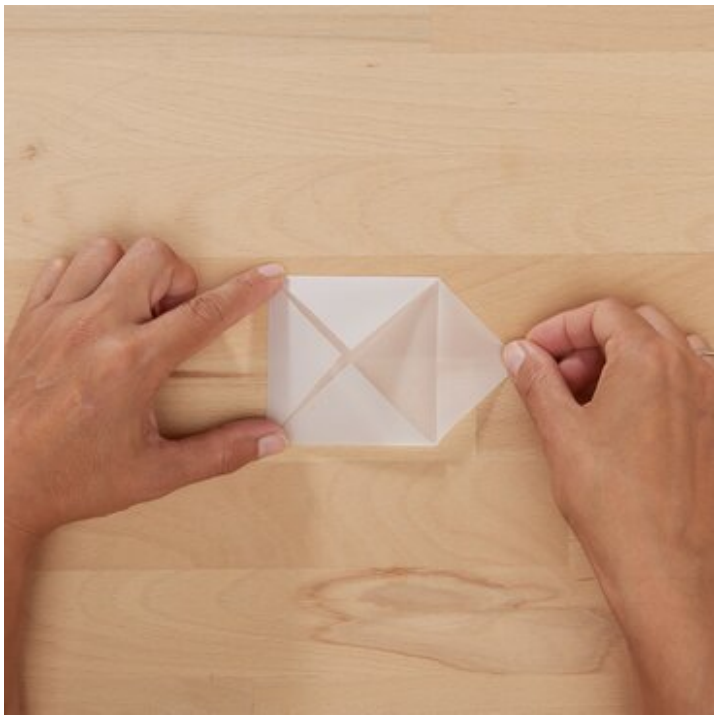

Folding instructions for the various transparent stars:

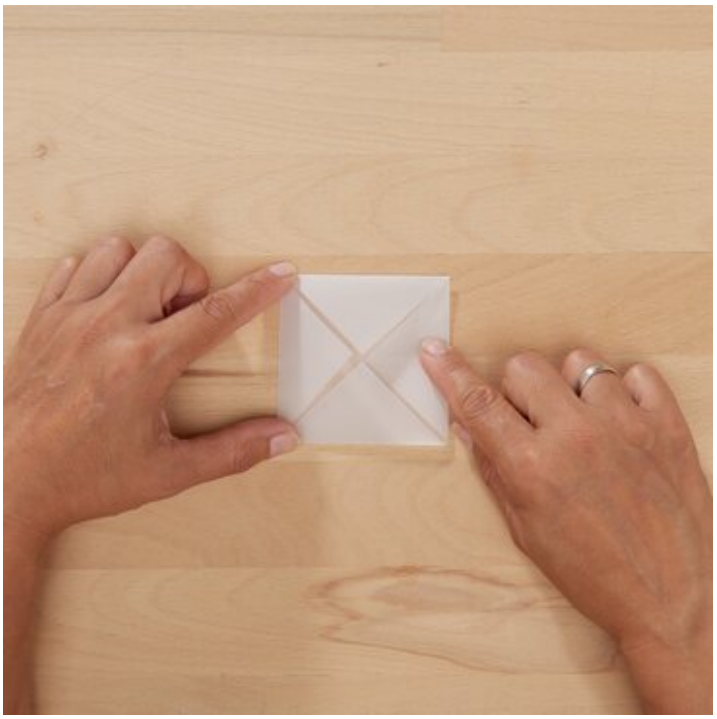

Prepare the appropriate Paper and follow our step-by-step instructions:

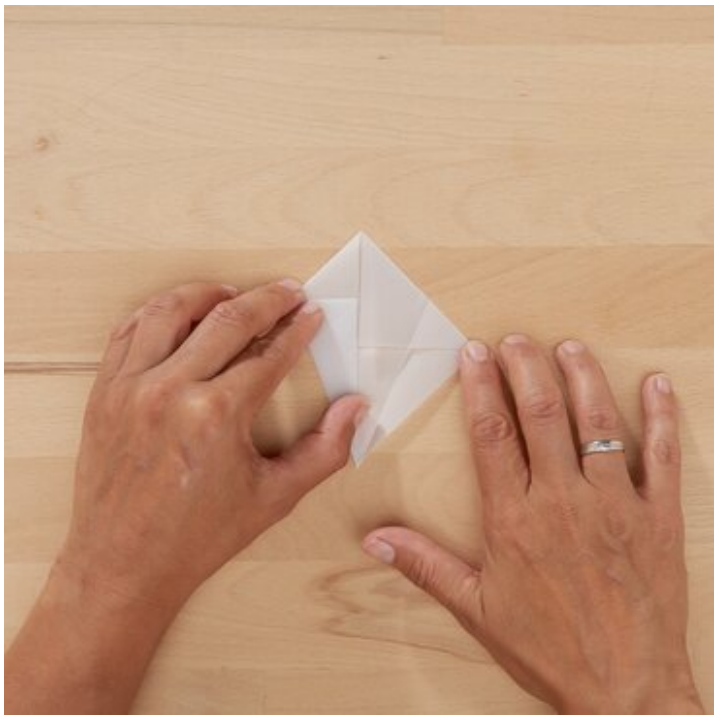

Star variant 1 "Small" from the 10 x 10 cm papers:

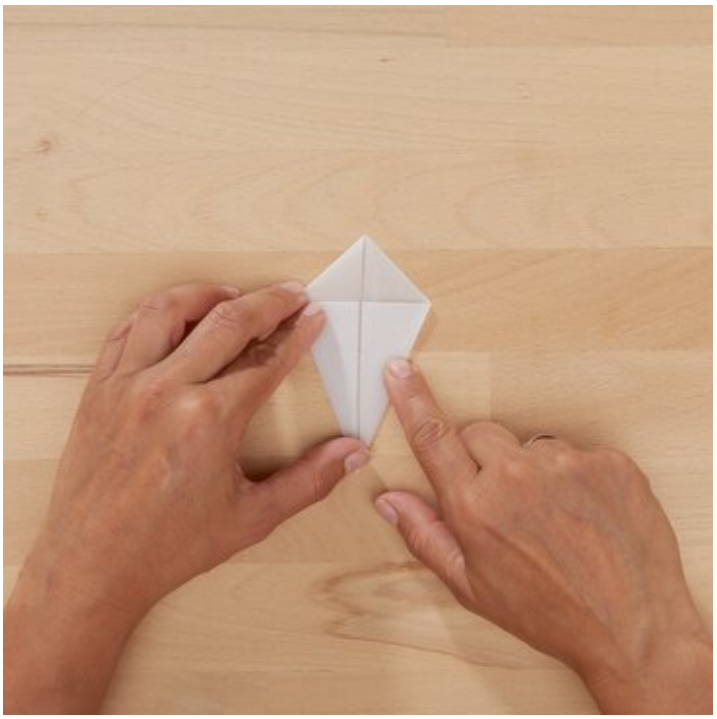

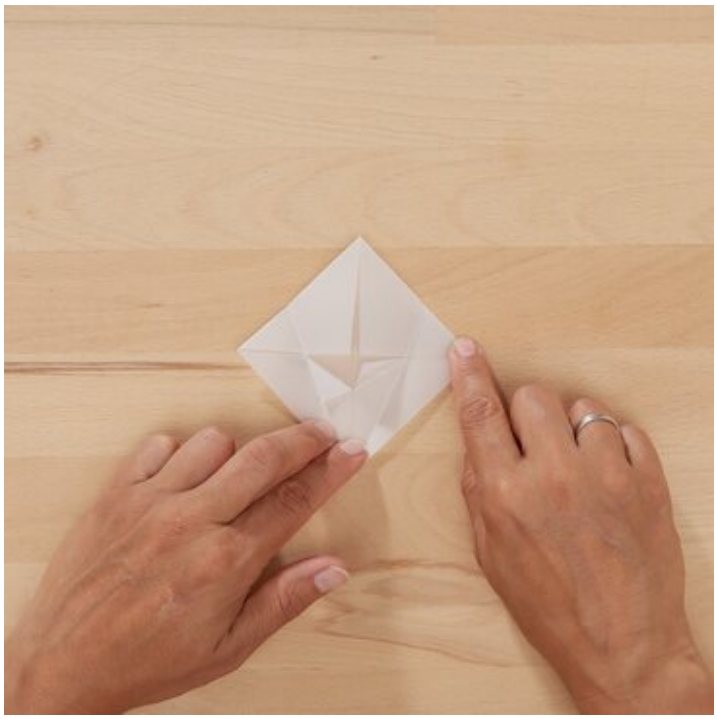

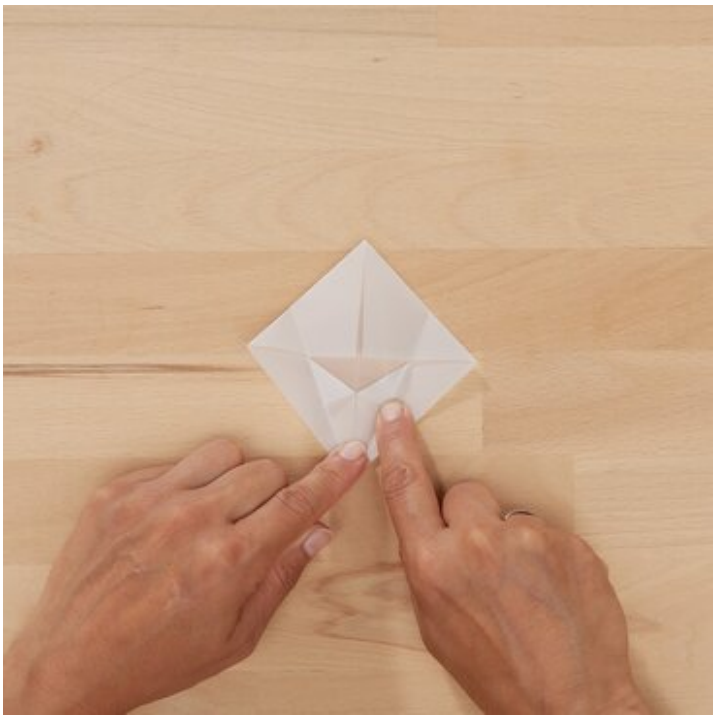

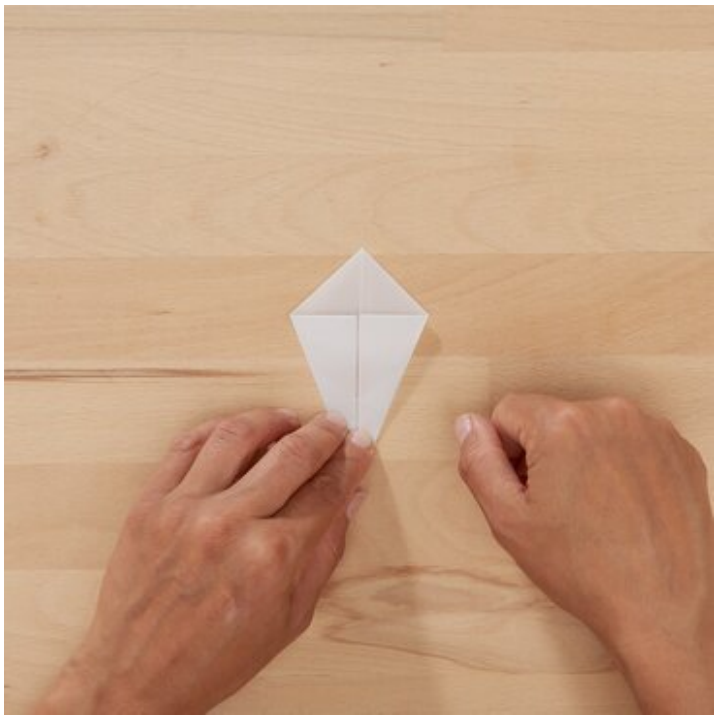

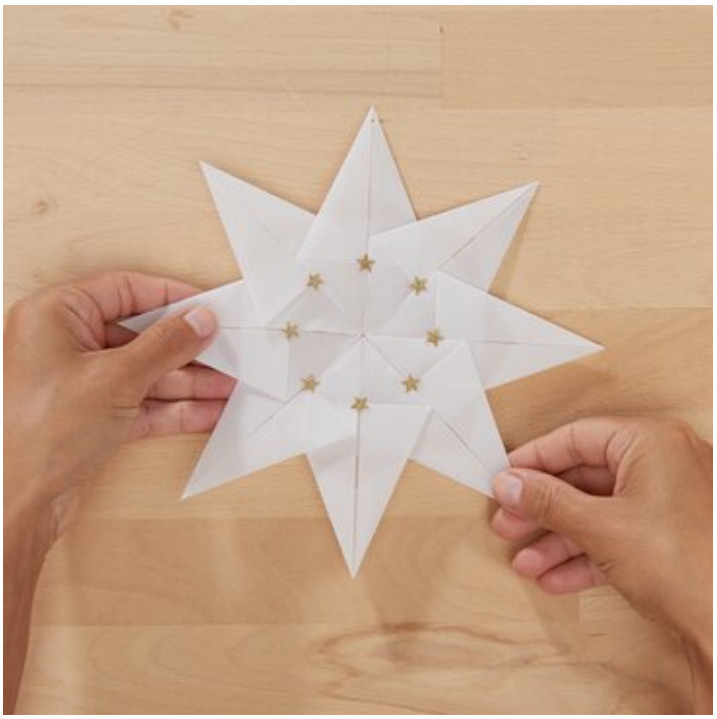

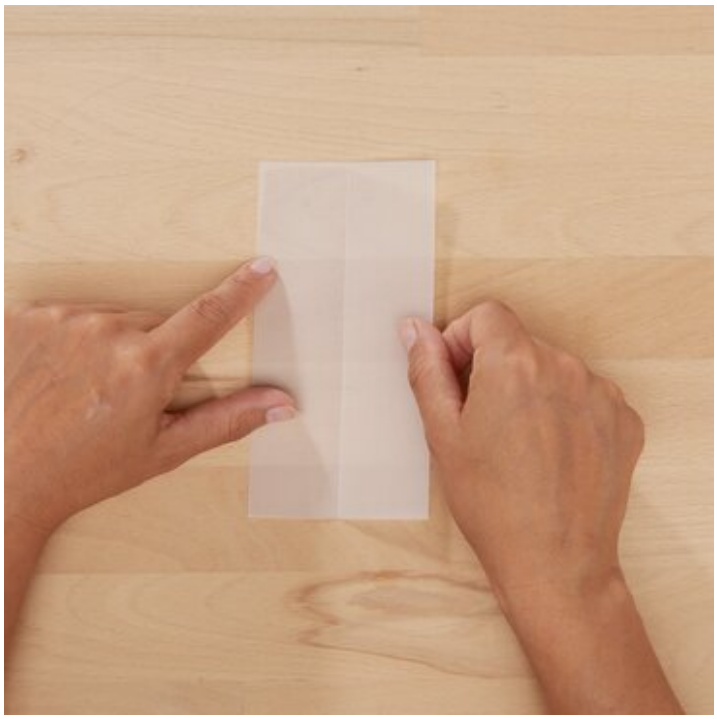

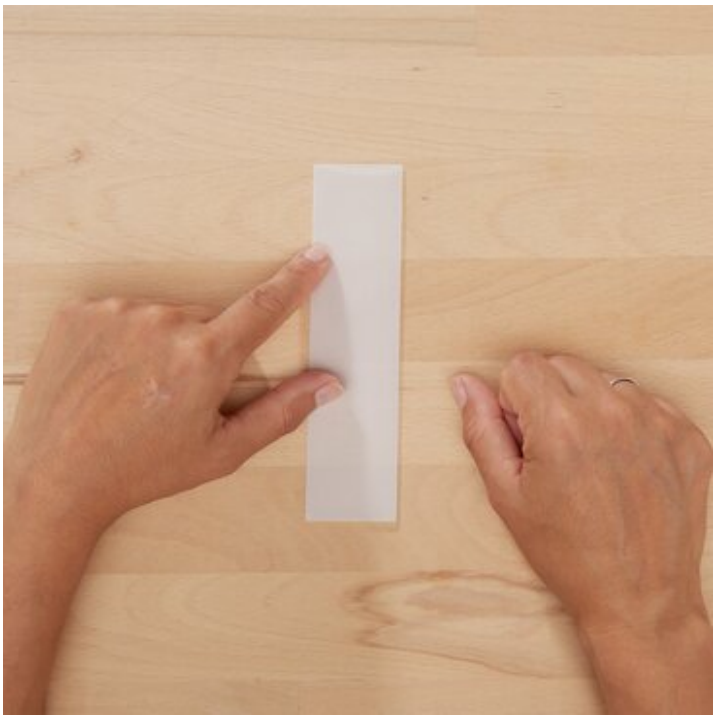

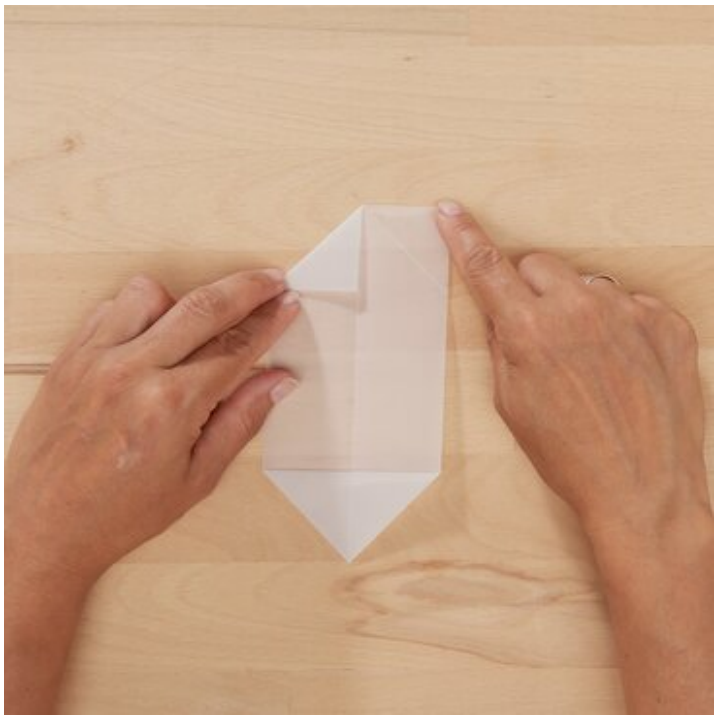

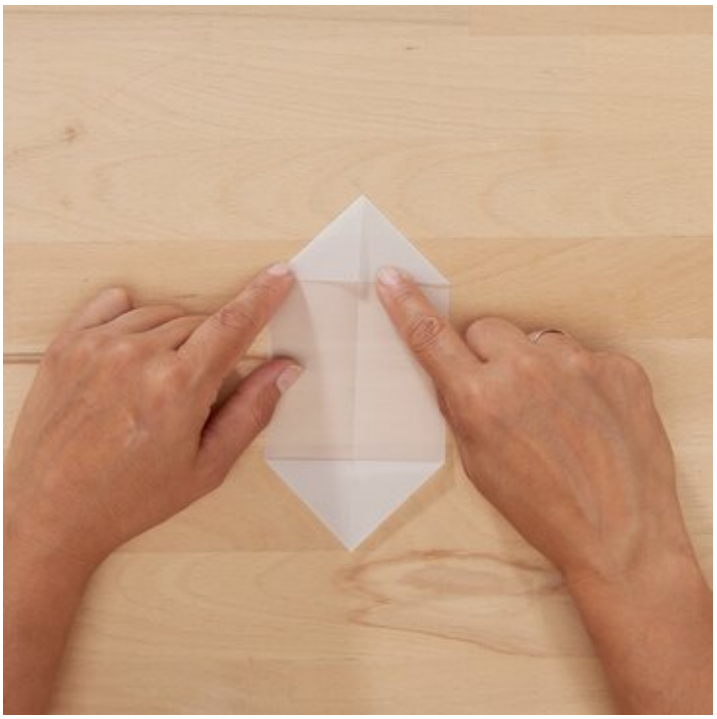

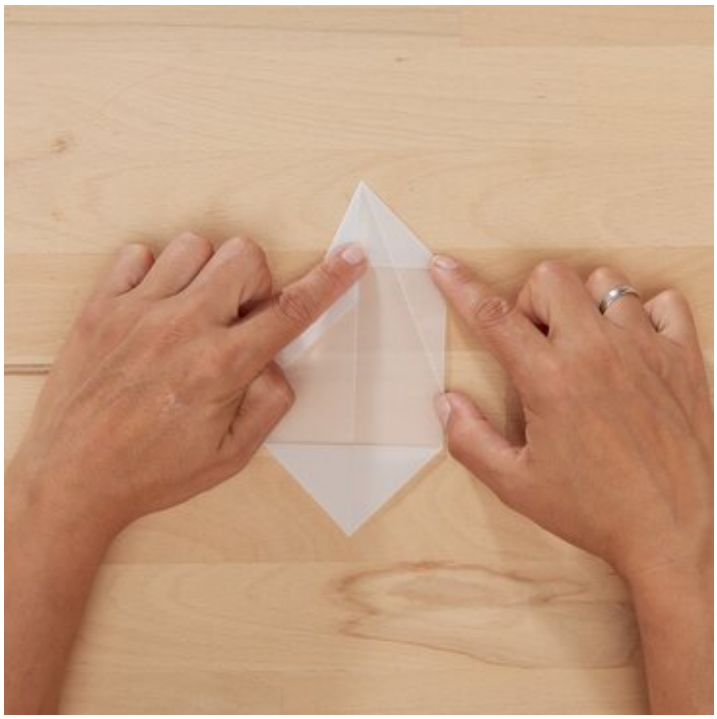

Star variant 2 "Medium" from the 7.5 x 15 cm papers:

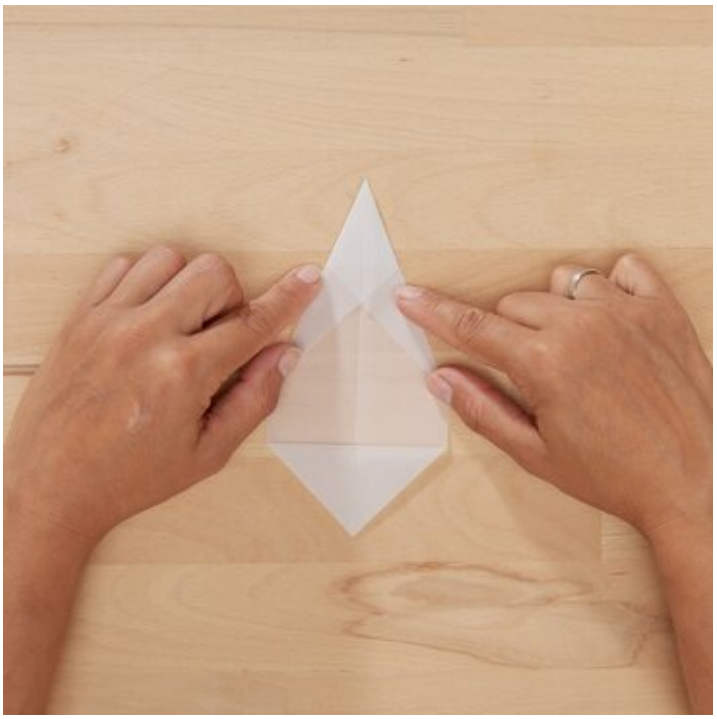

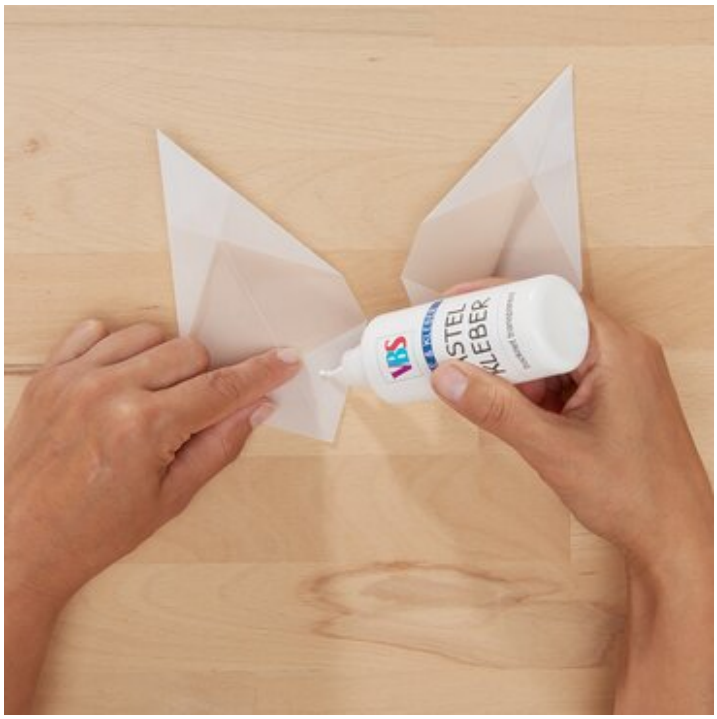

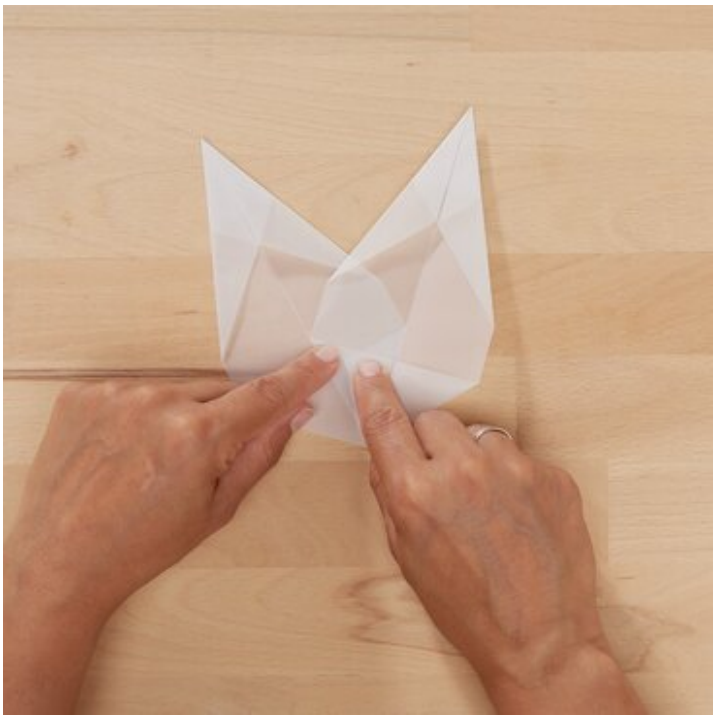

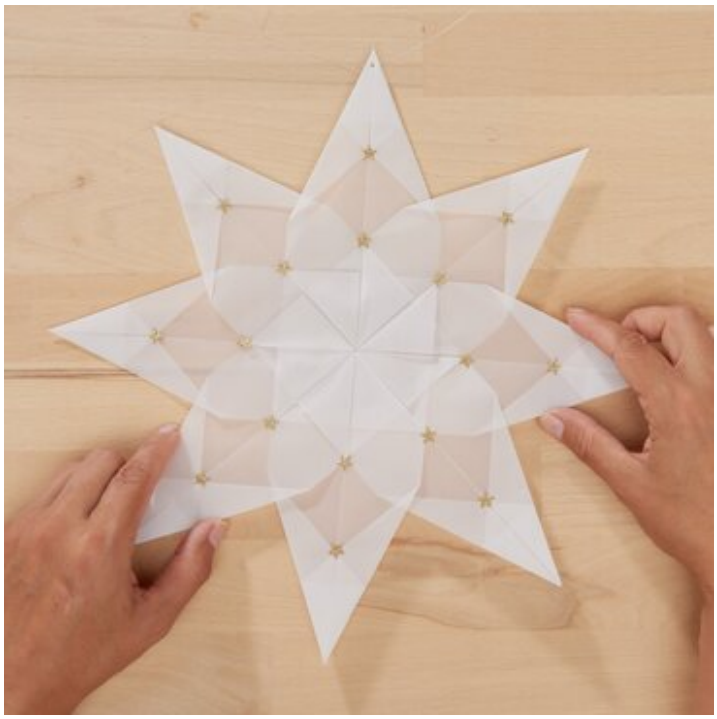

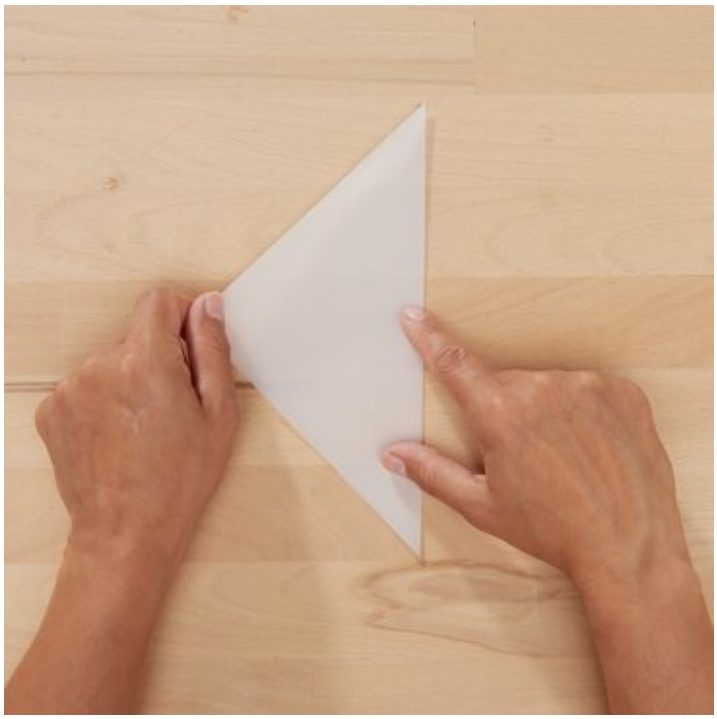

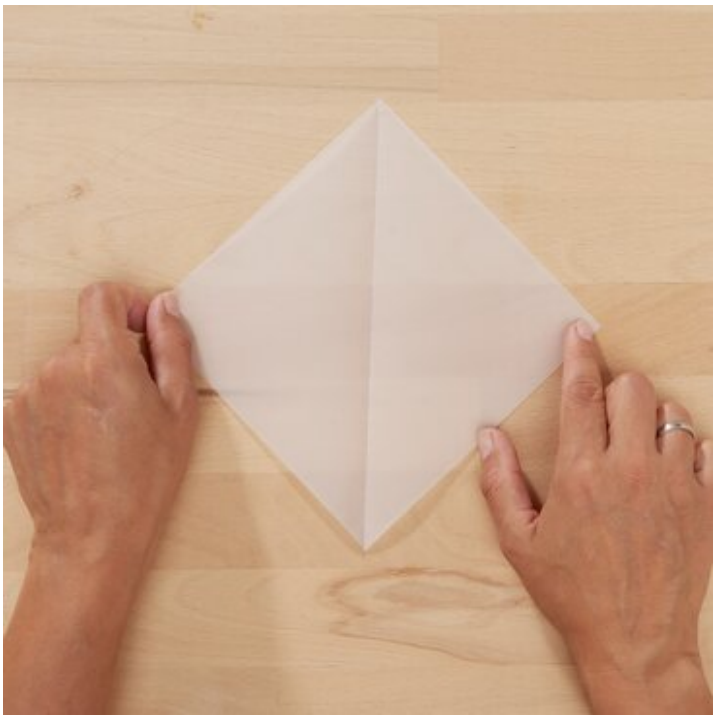

VBS

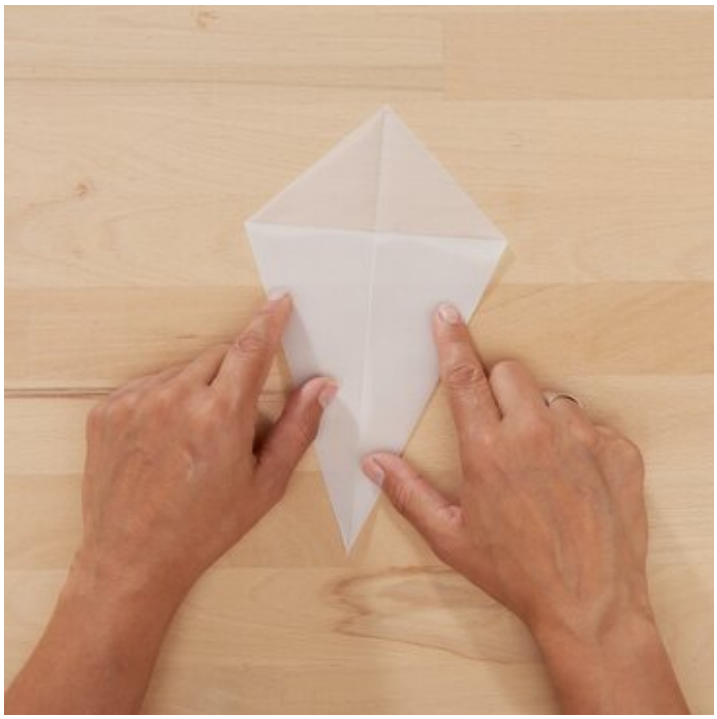

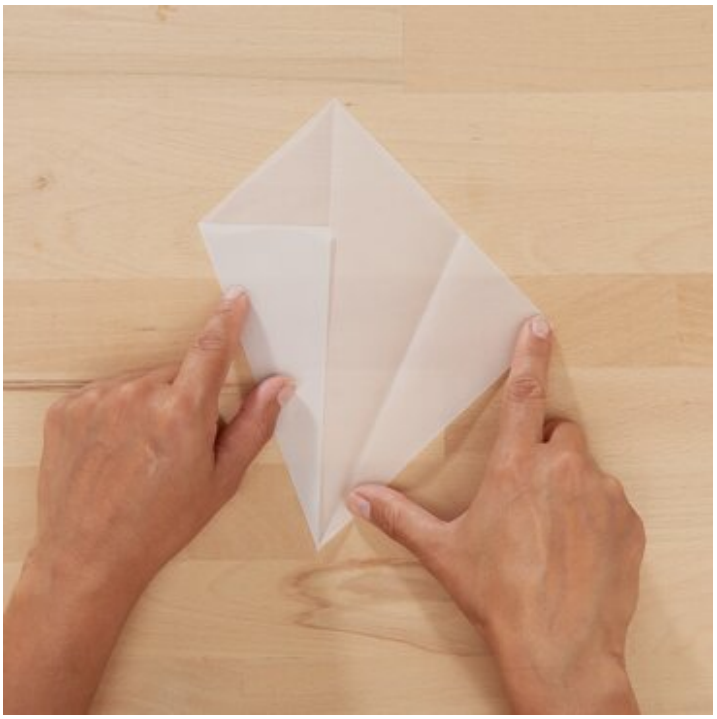

Star variant 3 "Large" with a small star on top made from the 15 x 15 cm and 10 x 10 cm papers:

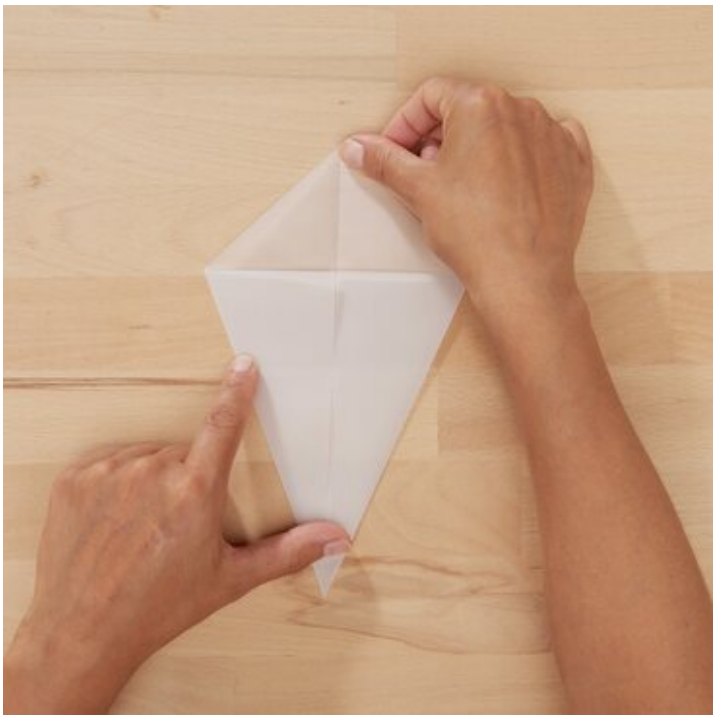

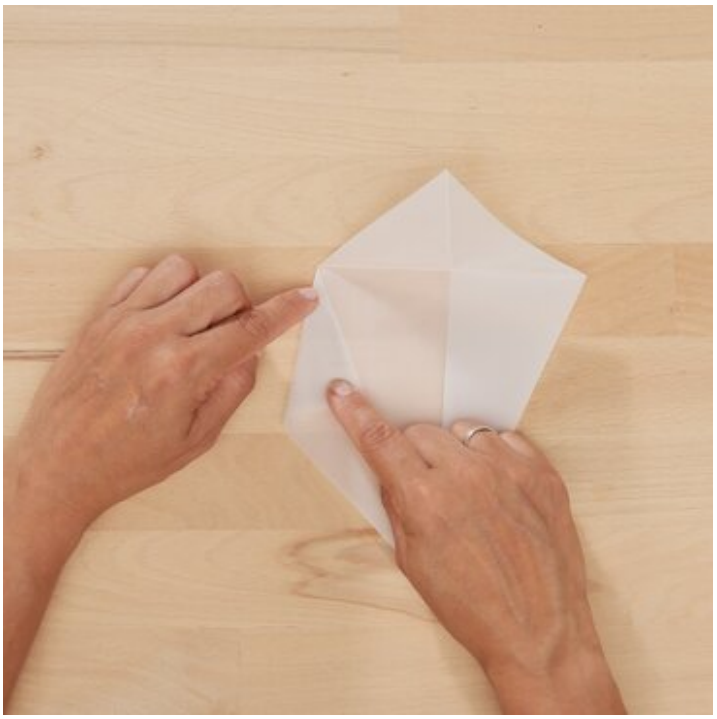

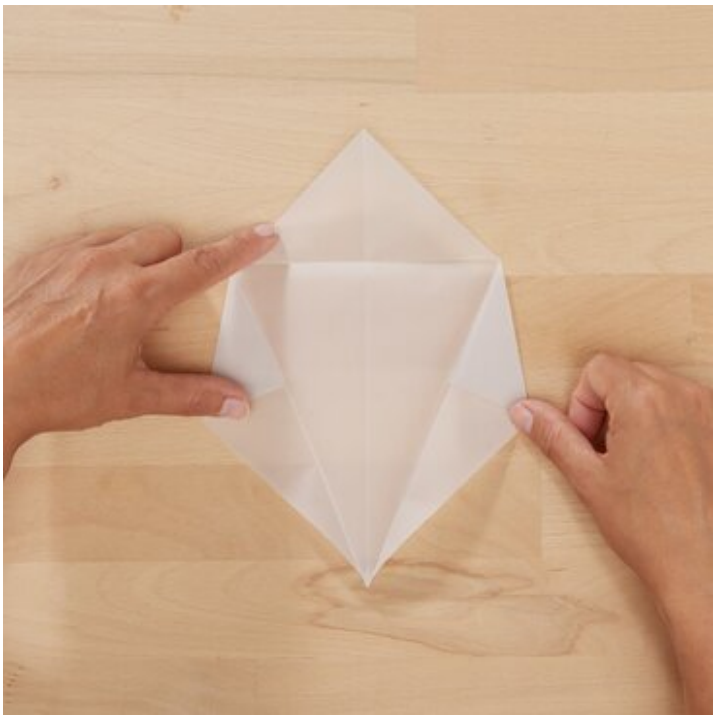

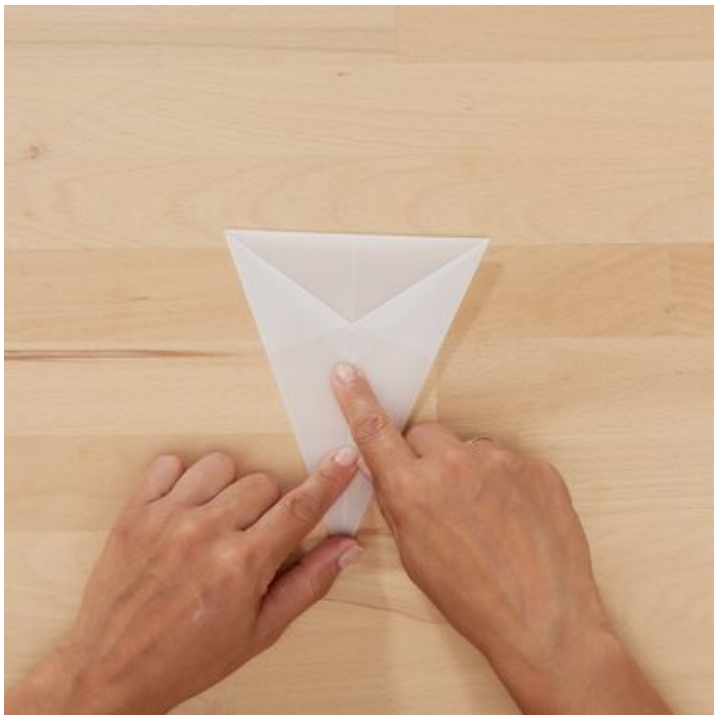

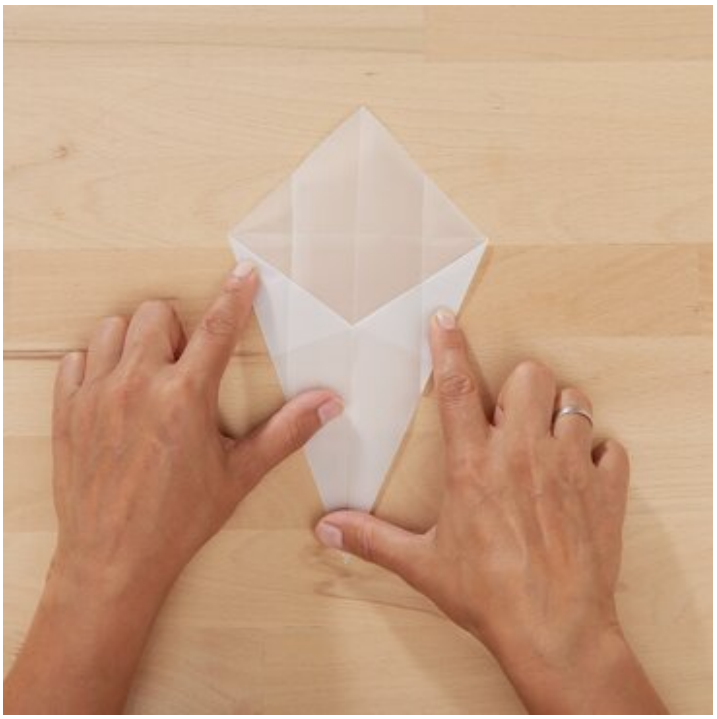

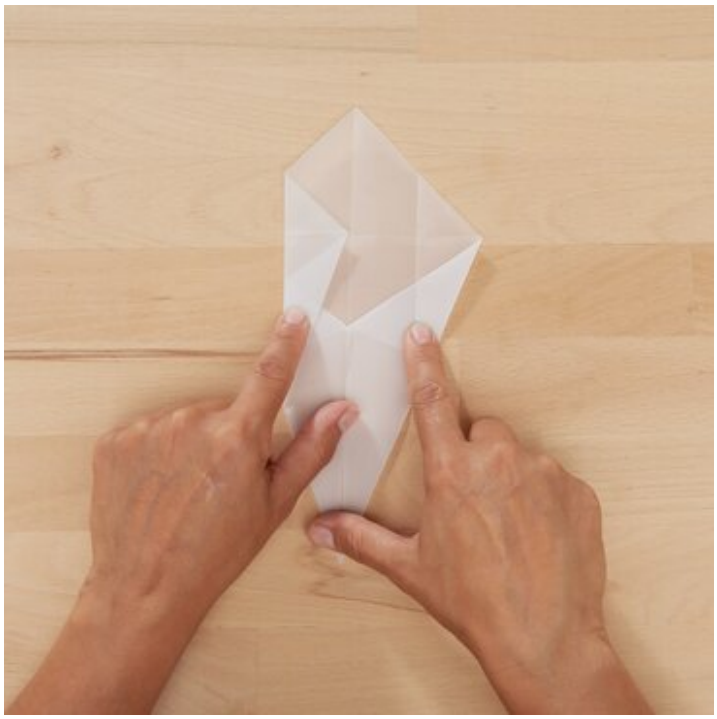

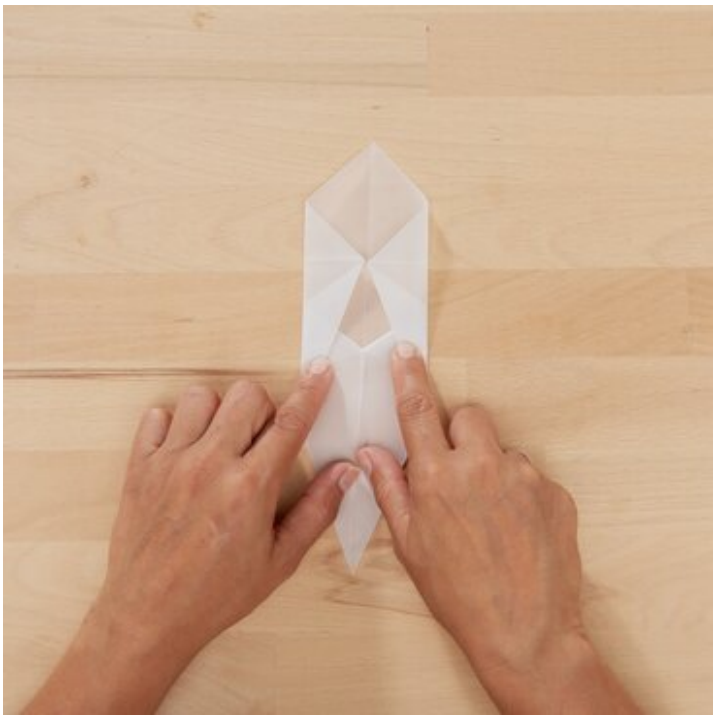

After you have folded the large star and stuck it together, we folded another smaller star and then glued it onto the large star.

Decorating and hanging:

Decorate the finished stars with the stickers. Use the hole punch to punch a hole for the hanging and pull the nylon thread through.
