Instructions No. 2445

Difficulty: Advanced 

Working time: 5 Hours

Fairy and princess fans watch out!

For a princess or those who would like to become one, for the next carnival visit, for the fairy children's party - this **hairband** not only looks adorable but is also easy to make.

## This is how the headband is made:

The different shapes have been die-cut from the following papers:

- Stars from glitter paper
- Butterflies from clay drawing paper
- Butterflies from transparent paper

Fold up the wings of the **clay drawing paper butterflies** a little with the **folding knife** and then glue them onto the **transparent paper butterflies**. Then decorate the centre of the body with some Glitter Glue.

Glue some stars and butterflies to the **wire** and then attach it to the hair band. To do this, wrap the wire around the **headband** a few times and attach it to the inside with some hot glue.

Wrap the entire headband with **satın ribbon** in the colour of your choice.

Finally, stick on more butterflies and stars.
