Hanging easter decoration

Instructions No. 3659

Difficulty: Beginner

Working time: 3 Hours

Are you looking for a creative Easter decoration to hang up? Then these little "bunny nests" are ideal for you. Even inexperienced people can make them and the cute creations are an eye-catcher for everyone

Start by painting the **papier-mâché eggs** with springtime handicraft paint . It is best to use **VBS handicraft paint** for your idea: this paint is particularly opaque and easy to paint on.

As soon as the paint has dried, use hot glue to stick something **moss** into the opening of the papier-mâché eggs and attach the cute bunnies to them VBS Bunnies. The moss provides a natural touch and the hot glue guarantees a secure hold.

Pluck individual twigs from the **Flower pick** and stick these to the egg opening too. These flower sprigs add

freshness and detail to the decor.

With these simple instructions, you can create a magical decoration that will attract everyone's attention. Visit our online store to order the materials you need and transform your home into a festive Easter paradise!
