Kerzen mit Serviettentechnik gestaltet

Instructions No. 1017

Decorate your candles with this fresh and cheerful motif. The pillar candles are perfect to decorate with trendy Napkins-pictures. The special eye-catcher is the Jute yarn, which you attach above the candles and thus complete the look.

And so simply it goes:

Cut the motifs from Napkin and glue the upper, printed layer with the candle potch in the middle of the candle. Tie Jute yarn around the candle, knot it and thread the ends slightly.

This idea is timelessly beautiful!
