Discover knitting with the Knit Thing: Beautiful cuffs for cold days

If you're looking for a simple yet creative project to keep your knitting fingers busy and create something fashionable at the same time, then you've come to the right place. Cuffs are not only a stylish accessory, but also a practical companion for the colder days. Especially when they are knitted with a soft wool that nestles comfortably around your wrists.

With our knitting thing, a practical tool that makes knitting easier for beginners and advanced knitters alike, you'll be creating fabulous cuffs in no time at all. This special tool makes knitting very easy. The instruction video from Prym shows you exactly how it works.

So grab your wool - we recommend a soft variety with a smooth yarn, suitable for needle sizes between 4.0 and 5.0 - and knit your cuffs.
