Discover knitting with the knit thing: beautiful cuffs for cold days

If you're looking for a simple yet creative project to keep your knitting fingers busy and create something fashionable at the same time, then you've come to the right place. Cuffs are not only a stylish accessory, but also a practical companion for the colder days. Especially when they are knitted with a soft wool that nestles comfortably around your wrists.

With our knitting thing, a practical tool that makes knitting easier for beginners and advanced knitters alike, you'll be creating fabulous cuffs in no time at all. This special tool makes knitting very easy. **The instruction video from Prym shows you exactly how it works**

So grab your wool - we recommend a soft variety with a smooth yarn, suitable for needle sizes between 4.0 and 5.0 - and knit your cuffs.
