Instructions No. 3388

Difficulty: Beginner

Making enchanting lanterns for the St. Martin's festival

The dark season lights up with the traditional lantern parade in November. Accompany children through the night with creative and self-made lanterns and make the lantern parade an unforgettable experience. Our versatile lanterns-craft kits offer you the opportunity to create a personalized lantern together with your child. Discover our instructions and get inspired!

Creative lanterns-craft kits for shining children's eyes

The lantern parade is the highlight for children! Whether unicorns, princesses, dinosaurs or pirates - with our sets, every child can make their own lantern in the design of their choice. The unicorn or kittycorn lanterns are easy to make and a must for little fairy tale lovers.

Excited about dinosaurs and pirates? No problem!

Awaken your child's imagination with a dinosaur lantern or space lantern. These themes are particularly popular with boys and add variety to the parade.

The trend: making owls-lanterns

Owls are the absolute trend theme! With our instructions for an owl lantern, you can make a magical one in no time at all. Use straw silk paper and coloured paper to make creative owls.

Perfect companions: our lantern books

There are many different books on making lanterns for all little crafters. Here you will find numerous models that are easy to make, with templates and levels of difficulty.

The most important materials at a glance

For your own lantern project, you will need a lantern base and lid, lantern foil, a lantern rod and a tealight holders. For even more safety, LED tea lights or battery-operated lantern sticks are ideal. Discover our Article for lanterns for stress-free crafting!

Get creative and share your successes!

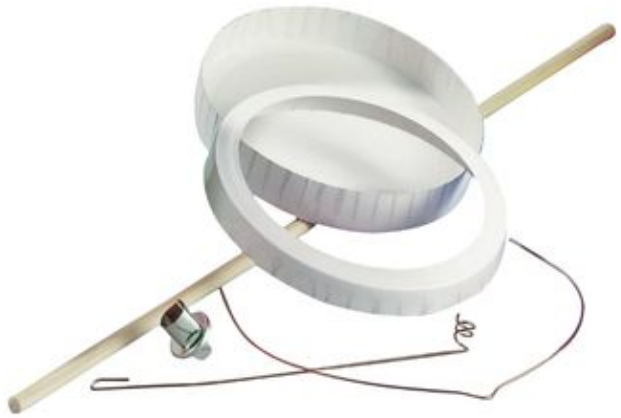

In our online store you will find all the materials you need to create artistic lanterns Visit our website now and get your lanterns craft kit for unforgettable evenings. We look forward to seeing your unique creations at the next

lantern parade!

P.S: Be careful with open flames! I still remember my mishap when my lantern caught fire.
