

Lettering on stretcher frame

Instructions No. 1507

Difficulty: Beginner    

Working time: **45 Minutes**

In this manual we show you how you can create a beautiful mural with great details by yourself with little effort.

Painting

This **Stretched Canvas** has been dealt with **Stenciling ink** painted. This colour gives you the opportunity to use a painting template of your choice instead of the template and thus to create a personalised message

First **prime** Stretched Canvas with white Stenciling ink. Once the paint has dried, dilute turquoise Stenciling ink with a little water. Apply the paint in **wiping movements** with a dry **Paint sponge** on. Let everything dry well. Do the same with the **wooden picture frame**. This is first primed with the white Stenciling ink and then wiped with coffee brown Stenciling ink

Handlettering

Download now our **motif template** with the slogan "If you can dream it you can do it" from Walt Disney and print it out. Transfer the template with the help of a pencil **and carbonless copy paper** to Stretched Canvas. Then draw the letters with a thin **Marker** after.

Alternatively, you can **stencil** on your favourite message.

Decoupage technique

Now use scissors to **cut** the roses of **Motif straw silk** and glue it with **decoupage glue** and a **napkin brush** on the Stretched Canvas. Spread the glue over the whole Stretched Canvas, as it dries silky-matt and the surface could otherwise shine differently

Finally, use the small wooden birds and scrapbooking frames to set **decorative accents** on the picture. For fixing you can also use the Decoupage **glue**
