

Lichterrahmen mit Sternenfolie

Instructions No. 642

Difficulty: Advanced 🍴🍴🍴🍴

Create breathtaking lighting effects! With this instruction, decoration frames, **star foil** and **Napkin technique** you will surely succeed with your own fascinating light project!

Here's [how it works](#)

Decorative frames each with Special paper "Flower Nature" and Straw silk paper "Dreams" and let them dry. Cut out star foil according to frame size and stick it on with tape

With the Ink Pads optionally stamp on squiggles and wipe sharply over the edges. Glue the fairy lights clips on the back of the frame as desired and insert the fairy lights or make a cut-out for the connection cable set on the back. Fix the lamp socket and light chain with hot-melt adhesive

To decorate, cut out individual motifs from Napkins , glue them on Watercolour paper or cardboard, cut them out exactly to the contours, wipe them with Ink Pads and glue them on with 3D pads.

Must Have

VBS Star foil "Magic Star"
