

# Marbled egg wreaths

Instructions No. 2969

Difficulty: Beginner

Working time: 2 Hours

At Easter, it is a great pleasure to decorate the house in a springtime style. This **wreath of marbled eggs** is an eye-catcher and can be hung on the front door or as decoration in your own four walls. In just a few simple steps, you can conjure up the great effects on the eggs in the colours of your choice and use wire and wooden balls to create a beautiful wreath for the Easter season.
