

Modern office - organisation with blackboard foil

Instructions No. 959

🔪🔪🔪 Difficulty: Beginner

🕒 Working time: 30 Minutes

Organize your office with this simple technology. The **Blackboard film** allows you to keep the labeling always up to date, completely adapted to the content. And if you don't have a notepad at your disposal.. - your new utensils are also ideal for this.

It's that simple:

Prime all parts in white, work out the finer points with a brush.

Cut the Blackboard film roughly to size, stick it on your Position and cut off excess material with the scalpel.

Now you can organize your office by marking the fields with chalk.
