

Nutcracker Clothespins

Instructions No. 2911

Difficulty: Advanced 🍴🍴🍴

Working time: 6 Hours

In this idea, practical clothes pegs are each painted with a nutcracker motif. Use them as decorative accessories for your Christmas gift wrapping made of kraft paper bags, for example. These are ideal for flat gifts such as vouchers or written messages.

Use our example as a template for painting the plain clothes pegs with paint. You can also draw your own design beforehand and then transfer it to the surfaces of the wooden clips. Use a fineliner to draw all the contours of the individual coloured areas and paint them with craft paint. If necessary, trace the contours again cleanly or place them on the craft paint (eyes, buttons). Fill the kraft paper bags and fold them once diagonally backwards. Trace the edges of the white gift tags. Stamp a message on the decoration pendants according to your personal taste or write on them and tie a cord bow with jingles to the bag. Simply attach the gift tags to the bag with a small nutcracker clothes peg. You can use the large painted clothes pegs as your own decoration or they can also come in handy as a fastening aid.
