Create an Advent calendar in pastel

- Start by designing the kraft paper bags and a wooden chest with craft paint. In our example, we chose three different pastel shades.
- While the paint is drying, write a message on some gift tags with a marker and thread them onto a cord. Attach the whole thing to the chest as a garland with screw eyes.
- Line the wooden chest with straw silk.
- Decorate the paper bags with the Advent number stickers and set accents with the Gelly Roll.
- Now you can fill the bags with small gifts or various treats. Close the bags with the clips and place them in the chest.
