

Painting..

As a first step, prime the desk organizer "Toolbox" with white Handcraft paint. Mix a little pastel yellow, green and blue. You can achieve these shades by adding some white to Yellow (Buttercup), light green and turquoise blue.

...decorate..

Stick the Toolbox to your personal taste with various craft papers, self-adhesive tapes and stickers. Label the Journal Box with a golden pen.

...fill it up!

Already a great journaling Organizer has been created. Fill the individual compartments with your coloured pencils, decorative ribbons and other accessories and look forward to your next journaling project!

Let's go!

Use your newly created toolbox for your new journaling project!
