Instructions No. 958

This **romantic country house decoration with** the **playful roses** reminds of a small still life. With an eye for detail, you can create such beautiful Gift wrappings as this wine box, which in itself is an exceptional gift.

And it is as simple as that:

To facilitate the design of the chest and bottle box, unscrew the handles, latches and hinges.

Now prime everything in white, the cutout of the wine box in beige and let it dry well

Cut out the desired decoupage motifs. Spread the motif as well as the base with the adhesive, lay it on and smooth it down.

When the glue has dried, paint the entire work.

To accentuate the edges, stroke lengthwise with the Ink Pads . Screw the handles, latches and hinges back on.

Take the hot glue and the Jute yarn and decorate the Test tube holder with it
