

Schlüsselkasten im Strandhaus - Design

Instructions No. 964

Are you also regularly seen looking for your key? This is over now! In this **key box with** a touch of holiday flair everyone has their place and hangs ready to hand and clearly arranged.

And it's as simple as that:

Paint the key box in white and let it dry. Cut out the desired motifs from Straw silk paper and stick them onto the key box with Napkin varnish . The Jute yarn is glued to the roof and to the edge of the floor with hot glue. Decorate the box with the metal - accessories. To bring the corners and edges to life, wipe over the edges and the roof with Ink Pads .
