Instructions No. 1531

Difficulty: Beginner 🍷🍷🍷🍷

Working time: 20 Minutes

Finding the **right nail polish for your own jewellery** has never been easy. Stop it!

With the help of the new **Edding L.A.Q.U.E. collection** at only , it only takes a few minutes to find the right jewellery to match **your nail polish**. In this instruction manual with the hip **jewellery cabochons**, we will show you how to do this.

Step-by-step instructions - this is how it is done:

Step one:

Take the **cabochon frame** of your choice and spread the **nail polish** evenly over the base with the nail brush.

The **nail varnish from Edding L.A.Q.U.E.** offers you a wide range of colours so that your **jewellery** can be matched to your outfit.

Step 2 (Optional):

Now your **creativity** is in demand. Use different ornaments like glitter to give your jewellery an **individual touch**. Let yourself be inspired by any shapes and colour gradients.

You can also add a **second nail polish color** to get great crackle effects and combine several shades.

Tip:

Use a toothpick, stamp or other tool to create your own pattern and create interesting colour effects.

Step 3:

Put the **cabochon frame** safely down and let it dry well. Depending on the **thickness of the nail layer**, this can take several hours

Be careful not to let your **decorations and patterns** slip.

Step 4:

Finally, simply place a drop of **gemstone glue** in the middle of the **cabochon setting** and carefully insert the glass stone now.

To achieve the best possible hold, make sure that the glue is evenly **distributed**.

Step 5:

Allow the glue to dry. Finally, you can apply natural Paint your **fingernails with** the same nail polish and create an **individual look** .
