Shield with napkin technique

Instructions No. 2987

Difficulty: Beginner

Working time: 2 Hours

Fancy a spring decoration? With this craft idea, you can easily create your own unique spring decoration in just a few steps. Find out how to do it here!

Prime the picture section with **gray-brown handicraft paint**. Then paint the frame of the **VBS wooden sign** with **white paint handicraft paint.**

Once dry, paint the picture section with **crackle varnish** paint the picture section. To create a nice **"tearing effect"**, it is important to paint in one direction with the brush.

Then tear the motif out of the **napkin. When everything is dry, paint the image section with napkin varnish** and stick the top printed layer of **napkin** stick onto it. Then coat the whole thing again with **napkin varnish** again.

Finally, seal with **weather protection impregnation**.

Now paint a sheet of **embossing foil** with **white handicraft paint**. Stick the top printed layer of napkin onto it and, once dry, cut out individual motifs with **tweezers**. Place the motif face down on the **VBS special mat** and press it into the **embossing foil** in a circular motion with the **embossing pen**. Use the **VBS handicraft glue** stick to the frame.
