Soap to go

Instructions No. 2307

Difficulty: Beginner

Working time: 3 Hours

This original idea is perfect to take with you! The Soap Crumbs in small jars fit wonderfully in your jacket pocket or handbag. So you can wash your hands with soap on the go without any problems. The soap to go is also a great gift.

Soap to go - here's how:

1. Mix the Soap Crumbs with soap base gel, shower gel of your choice or liquid soap according to the package instructions. Add soap colour and dried flowers as desired.

2. Fill the small screw-top jars with the soap.

3. Label small stickers as desired and stick them on the jars.
