

# Stylish braided pattern in natural look

Instructions No. 2650

🔪🔪🔪🔪 Difficulty: Advanced

🕒 Working time: 10 Hours

You may need a little longer to recreate this great mural with Paper Straps. However, the weaving of the pretty pattern is very relaxing and the result can finally be seen!

## Wickerwork from their own workshop

- Cut 18 strips of each colour, 40 cm each, and divide them in half the width.
- Lay the black ribbons close together vertically and fix them with tape on your craft mat.
- Now weave in the beige ribbons according to the sketch. To create a tight weave, fix your weave with craft glue at individual points while you are working.
- Then cut off the excess ribbons so that you have a piece of 30 x 30 cm.
- Paint the picture frame with white paint and glue your woven picture into it with craft glue.
