

# Styrofoam door arch with quilling

Instructions No. 2149

🔪🔪🔪 Difficulty: Advanced

🕒 Working time: 3 Hours

Let spring into your home. With this great arch for the window or door, you can let friendly colours and a particularly beautiful decoration embellish your home. The **polystyrene bow** can be easily decorated with colours and **lettering**. The **Quilling ornament** gives the whole thing the final touch.

## This is how you make the bow:

1. Paint the **polystyrene arch** with your chosen craft paint.
2. Create an ornament with the **Quilling Starter Set**. This kit contains templates, paper strips and tools.
3. Print out the **template** for the door banner and transfer it to the linen board using graphite paper. Cut out the banner and draw the lettering with the Micron pens. Then stick it onto the door arch using 3D adhesive pads.
4. Press the screw eyes into the door arch with a little craft glue.
5. Hang the ornament on the door arch with perlon thread. Attach the satin ribbon to hang it up.
