Herewith we present the winning idea (3rd place) of our Christmas craft competition 2018 "Hauptsache selbstgemacht!"

Our winner "MaroniKanoni" has built a small, snowy **winter village** on a Slate-Etagere created

As a basis are suitable all **Etagere**. It is up to you to decide what size your winter village should have. With a **Spatula** you can make decorative snow **on** the individual floors of the Etagere distribute. You can also spread some loose **Diamond-snow** on the freshly applied paste

For the little houses the paper kit "**Lichterdorf**" was **used**. In this set there are 4 houses and a church. The set also contains a roll of double-sided tip Adhesive tape.: **With** a folding leg the houses can be finished very well and cleanly

Finally, you can finish off small details such as bridges, **fence elements and small fir trees with a little hot glue on** Etagere arrange. Optionally, a **mini LED light chain** can be integrated
