

Weihnachtswichtel aus Quilling-Streifen

Instructions No. 440

3D Quilling - a great new variant of the popular technique from Karen-Marie-Klip. The funny Christmas elves are turned from long Paper strips ones and then shaped. A sweet decoration for Christmas or as a small present.

Extra tip: Craft kits

The kit contains 120 Paper strips for approx. 6 - 12 gnomes, suitably assorted in 5 colours. Also the instructions with many photos are very detailed and clear. I find this very practical.
