Willow wreath with a pair of rabbits

Instructions No. 3260

Difficulty: Beginner

Working time: 1 hour

These creative crafting instructions will help you to create a unique table decoration from a **wicker wreath** and saucers **terracotta-Saucers**. Let yourself be inspired and discover how easy it is to conjure up a touch of nature and warmth in your rooms with just a few simple steps.

Start by placing a terracotta-saucer in the middle of a **willow wreath**.
This forms the base of your arrangement and provides stability.

Take a **cutter knife** and cut the flower arrangement foam so that it fits exactly on the terracotta-saucer.
Cover the flower arrangement foam generously with moss, so that it is no longer visible.
The moss also gives the arrangement a natural look.
You can fix the moss with some **hot glue** to keep it in place.

Glue small**pompoms** onto the bunny figures. Then attach the bunnies to the moss.

Stick colorful flowers into the **flower arrangement foam**. These will add color and freshness to your arrangement. Arrange the flowers according to your personal taste.
To give the arrangement a special sparkle, place a fine layer of ribbon around the arrangement.**chain of light**around the arrangement. The warm lights accentuate the colors of the flowers and create an inviting atmosphere.

Let the sun into your four walls and experience your creativity with our **instructions** and **craft tips**!
