## Mandala pouf

### PATTERN

Start with a magic ring and follow the chart.

V7: repeat V6

V8: repeat V6 making an increase before every relief stitch.

V9 - V12: work as presented.

V13: repeat V8 instead of an increase, make a decrease.

V14: repeat V13.

V15: repeat V13

Cut the string.

Insert the filling in the pouf and cut the string, insert the string behind and on front of the stitches from the last row and pull until you close the pouf, leaving a circle open in the middle in order to take out the filling when you need to wash it. You can put an anti-slip round in the open circle.

Due to the fact, that Crafty Fine yarn is recycled from colour-assorted textile material and not re-dyed there can be slight variations in color and thickness. We therefore recommend buying enough yarn for your project. We also advise to use a crochet needle without handle, which is easier to work with. The first stitches might be a little bit hard to work, but you will soon get used, and the final result is worth it

### WASHING ADVICE

Always wash in as warm a water temperature as possible - up to the temperature recommended, with a short spin. Use a lot of water if hand washing. For darker colours we recommend the use of discolouration sheets.

Do not bleach.

Do not tumble dry. Drip-dry on a horizontal surface.

Iron on a hot temperature setting using a damp cloth.

Professional dry cleaning in tetrachloroethylene.
