Pattern

Bunny bag with MDF bottom and leather handle

The bunny bag is worked in continuous rounds. You will not close these rounds, but simply continue in the next stitch. Place a stitch marker in the first stitch of every round, so you can see where the round begins.

Round 1: Make sure you work this round loosely. Use a 4.5mm / US size 7 / UK size 7 crochet hook and color A and join yarn with a sl st in one of the holes in the bag bottom. Work 1sc in same hole, 1sc in each of the next 43 holes. Tip! Work around the cast-on tail, so you won't have to weave it in later.

Round 2: Continue with a 7.0mm / UK size 2 crochet hook. Work 1ks in 1st st, PM, 1ks in each of next 43sts.

Round 3: RM, 1ks in same st, PM, 1ks in next 43sts.

Join yarn with sl st in 1st st of ear, 1sc in same st, 1sc in each of next 6sts of the ear, 2sc in t-ch on top of ear, 1sc in each of next 7sts, fasten off and weave in all ends.

Baste your yarn tail through all remaining sts and pull closed, shaping the tail into a little round ball. Use the yarn tail to sew the tail mid back onto the bunny bag.
